good or excellent

Student voice

What do Tutees say about Tute's NTP tuition?

We asked our students...

'What would you like to achieve by taking part in these lessons?'

The most common responses focused on three areas:
improving confidence, catching up and attainment of better grades

Just catch up on what I missed

Make sure I catch up and achieve a higher grade

To move up higher tier maths

To revise and catch on English

To feel more confident in a topic

Catch up, extra support

To feel more confident in my maths in all topics and to achieve a better grade

To boost my grade in English as it's dropped

69.3% of respondents said that they thought that their Tute lessons had helped them to catch up on missed learning as a result of Covid-19

Helped fill in missing gaps in my learning

I felt like I wasn't good at Maths and now I think I am a bit better

They have helped me by going over the basics of English and Maths, this has made it easier in to learn in class

I had some trouble with understanding chemistry and physics in lockdown and this has helped me understand more about it

They have helped me to understand Maths better and have me more confidence in myself

Have helped me do stuff that I missed out in school

If I didn't understand something in Maths Tute teaches me ways to remember how to do it

I learned a lot and can remember lots of information now and the teacher is amazing

We asked our students...

'Do you enjoy learning online? Explain your answer'

The lessons are interactive and fun, the teachers are so helpful and patient. I always look forward to these lessons and hope to have *Tute Teacher* again

It was so helpful and I was able to use my knowledge in the classroom

I enjoy Tute because it helps me learn the stuff I missed

Because I missed some school and it helped me catch up

Because I feel calmer every day I do it

The teacher is really kind and supported and it makes my learning better

Because they make it fun to learn

We asked our students...

'What could be done to improve your experience of learning online?'

It would be good if we could show the teacher our workings out

Maybe worksheets that we could print out beforehand

Nothing! I think this is perfect!

Better laptop but you can't help that

Nothing it is already perfect

Have more examples for those who are still struggling
