

ESOL: ENTRY LEVEL 1

The Entry Level 1 Summer School gives learners the opportunity to consolidate their previous language learning, through a programme of topics which will be interesting and useful for students as they develop relationships with new friends at school or college.

Students will learn to tell stories about their experiences, share jokes and discuss clothes and sports, as well as learning how to talk to teachers.

Week	Session	Theme	Lesson objective	Skills
1	01.1	School life	What language should we use in the classroom?	Speaking
	01.2		How can you explain to your teachers why you have not done your work?	Speaking, negotiation
