

ESOL: ENTRY LEVEL 2

The Entry Level 2 Summer School gives learners the opportunity to consolidate their previous language learning, through a programme of topics which will be interesting and useful for students as they develop relationships with new friends at school and in the community.

Students will learn about, and be able to discuss British food, animals in society, technology and how to discuss a day trip out with friends.

Week	Session	Theme	Lesson objective	Skills
1	01.1	Food	What is British food?	Listening, speaking
