

The Entry Level 3 Summer School gives learners the opportunity to consolidate their previous language learning, through a programme of topics which will be helpful for students as they develop relationships with new friends at school or college.

Students will learn about, and be able to discuss music festivals, future inventions and careers, the environment and sporting events.

Week	Session	Theme	Lesson objective	Skills
1	01.1	Festivals	How can we explain festivals in Britain?	Vocabulary, speaking
	01.2		How can we use first and second conditionals in speaking and writing?	Grammar
