SHIRELAND COLLEGIATE ACADEMY

Shireland Collegiate Academy are an outstanding school in the West Midlands who are contracted by Tute to review random lessons, to assess the quality of teaching against Ofsted standards, and provide feedback for continuous improvement.

Frequency

Lesson observations and quality assessments are frequent to support teachers throughout their career with Tute with a focus on constructive, collaborative feedback

Each teacher will be observed a minimum of once per term

Monitoring and escalation

Quality assessments are monitored at a high-level overview

Head of Teaching and Learning monitors efficiency of Quality Assessors: meeting targets, making accurate judgements, providing meaningful feedback
