OUR T&L LEADERSHIP TEAM

PUTTING THE STUDENT AT THE CORE OF EVERYTHING WE DO

BECKY

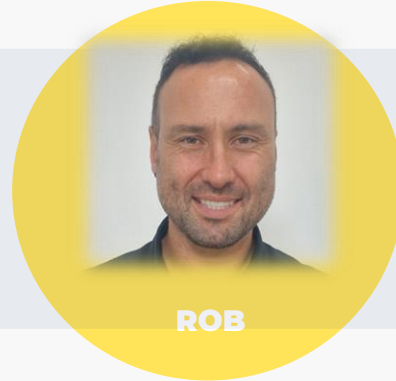

ASSISTANT HEAD OF T&L
CURRICULUM

I've been teaching for over 10 years, and I'm passionate about working with colleagues to develop thoughtful work on curriculum, professional development and advocating for those whose voices are not always heard. In my role here at Tute, I can truly channel that passion into meaningful action that has impact.

I started my career in sixth form colleges for large trusts, and I quickly realised that to ensure students can achieve at post sixteen, the foundations for success are built in the earlier years. That's why I'm so passionate about the importance of a high-quality enriching curriculum that is engaging, relevant, and challenging at all key stages.

I believe that when we work together to evolve our pedagogy and curriculum, we can make a real difference in the lives of children.

becky.clark@tute.com

ROB

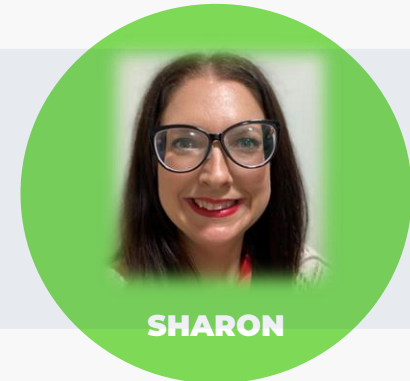

HEAD OF TEACHING AND LEARNING

I embarked on my teaching journey in 2007, focusing on science at a secondary school, driven by my passion for empowering students from diverse backgrounds. Joining the Tute team in 2014 transformed my motivation, as I delved into pedagogy and recognised the significance of targeted student development in an online environment.

Today, alongside our committed teaching and learning SLT, I lead a team of qualified teachers, expert online practitioners, to deliver innovative, inclusive curriculums to the highest standards. Witnessing our students engage, progress, and flourish in education tailored to their needs, unattainable in a traditional setting, fills me with joy.

Student outcomes are paramount, and we provide personalised support to ensure every student can achieve their potential, leaving with essential academic and life skills for future success.

rob.hughes@tute.com

SHARON

ASSISTANT HEAD OF T&L
OUTCOMES

I joined Tute in 2014 after almost a decade of teaching in Manchester and Chester schools. My biggest frustration was trying to fit students into rigid structures and curriculums that didn't meet their needs. I wanted to pursue a different medium and format of education, especially for those struggling in mainstream settings to reach their potential.

Since then, I've undertaken research in education, earning a Doctorate and taking roles as a Research Associate and Visiting Lecturer at The University of Chester. Now, as Tute's Assistant Head of T&L - Outcomes, I hope to make the most significant impact.

I am dedicated to supporting our teaching team in developing effective online pedagogy and providing tailored education for each student. I aim to keep Tute at the forefront of evolving online learning and maximise our impact.

CURRICULUMS

CHALLENGES ARE OVERCOME WITH TUTE CURRICULUMS AND PARTNERSHIP

CHALLENGES

SOLUTION

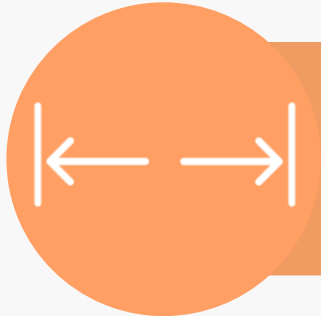

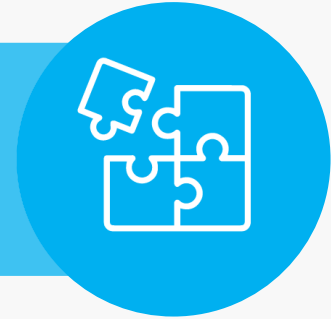

ALTERNATIVE PROVISION

More students than ever need AP at a time when there are fewer options than ever

VIRTUAL SCHOOL | COURSES

Short, medium, or long-term provision mapped to the NC, within 48 hours

CLOSING THE GAP

Covid and other factors have left disadvantaged students falling behind their peers

TUTE GO | NTP

Targeted tuition for small or larger groups based on assessment, subsidised if using NTP funding

ADDING CAPACITY

Recruitment and retention is becoming more and more difficult leaving gaps in provision

COURSES | TUTE GO

GCSE and A level courses and structured timetables of lessons that creates capacity and adds choice

Tute curriculums are often commissioned for other reasons and in different ways. Ask your account manager for more information.

KEY STAGES 1-4

SERVICE AT A GLANCE

WHAT IS INCLUDED REGARDLESS OF CURRICULUM CHOSEN?

QUALIFIED TEACHERS

All Tute teachers are qualified and are recruited through our KCSIE-compliant safer recruitment process

DEDICATED SUPPORT

Dedicated account managers and our admin and IT teams work together to provide top service quality to our partners

QUALITY ASSURANCE

Tute's QA team enforces rigorous policies to ensure high-lessons and collaborates with Shireland Collegiate Academy for observations and CPD.

PROGRESS TRACKING

Following each lesson, teachers assess progress and engagement against specific learning objectives. They also offer suggestions for further improvement.

RECORDED LESSONS

Playbacks are accessible to students and partners, serving as valuable resources for reinforcement, revision, catch-up, and safeguarding.

PARTNER PORTAL

Partners can access programme information, and progress, engagement, and attendance data in the Tute platform portal in summarised or detailed format.

HOW TO ENROL STUDENTS

CHOOSE ANY CURRICULUM, WITH ANY STUDENTS, AT ANY TIME, IN ANY MIX

REVIEW

Review progress in your portal, and your account manager will arrange a meeting to ensure that you and your students get the best out of Tute

STUDENTS LOG IN

Progress begins! Tute teachers will explain about the Learning Cloud, expectations, and the learning journey

CHOOSE CURRICULUM

Ask your account manager if you have any questions about which is best suited.

COMPLETE BOOKING FORM

Provide the Tute team with as much information about the student and their needs as possible.

See curriculum pages for booking forms.

RECEIVE CREDENTIALS

The Tute team will send your students' credentials (if they're not already a student!) and can provide more partner accounts for your setting too

TUTE WILL INVOICE FOR WHAT YOU HAVE USED AT THE END OF EACH HALF TERM – NO UPFRONT COMMITMENT

ALWAYS HERE FOR YOU!

YOUR ACCOUNT MANAGERS

DEVELOPING AND NURTURING OUR PARTNERSHIP

JULIE K

As Head of Customer Management, I lead our team and we are all committed to ensuring that our partners (you!) and our students have the best experience with Tute.

My 15 years of experience as Head of Modern Foreign Languages mean that I understand both the challenges in education today and the value of Tute's pedagogy.

Beyond education, I love building meaningful relationships with our customers. I'm a people person, so I genuinely enjoy engaging in conversations to understand your needs better.

To relax outside of work, I enjoy socialising, reading, crafts, and singing.

DAREN

Before working for Tute, I was a teacher and head of department for 29 years teaching business and ICT courses across KS3-5. Many years of teaching experience has given me a unique insight into the challenges facing schools and staff currently.

I moved to Tute in 2019 and working here gives me an opportunity to use my knowledge and experience daily to support education settings and their students to reach their full potential through the advice and support I am able to give.

In my spare time I enjoy philately and listening to music along with taking part in online quiz competitions.

JULIE H

As customer management specialist, I love supporting our partners to make a difference to their students, and my enthusiasm continues to grow. This role combines my extensive experience in both education and business. With four years working in a school, I understand students' needs and their challenges. My 12+ years as a business coordinator mean I am used to providing excellent support and communicating effectively.

Passionate about fostering positive learning experiences, I'm dedicated to creating positive change in the lives of students.

Outside work, I love camping, going on holidays, and cherishing moments with friends and family.

ELLIE

As an experienced educator, my passion is to see all students reach their full potential. I have worked in school settings as a teacher and assistant head for 16 years and so I understand the challenges facing schools with providing outstanding provision to meet the diverse needs of our pupils.

Working at Tute allows me to use my knowledge and expertise to ensure that your education setting can make the most of the tutoring provision we provide, ensuring all pupils succeed in education.

Outside of work, I enjoy spending time with my animals on my small holding in the beautiful Welsh countryside.

Timetable slots are two hours (e.g., 09:00-11:00)

and consist of two lessons starting at each hour within that slot

There are two lessons starting at each hour within that slot

lasting for 45 minutes (e.g., **either** 09:00-09:45 **or** 10:00-10:45)

Students will be assigned to one of these two slots to maintain smaller group sizes (e.g., either 09:00 or 10:00)

If there is more than one subject choice in a slot, students can be enrolled into both and will have two 45-minute lessons in that slot

A personalised timetable will be provided for each student.

ENRICHMENT WEDNESDAY

A day of valuable, non-core learning, expanding the curriculum and aspirations beyond the usual AP offer
